

EDGENTUS WEBINAR SERIES

COURSE SUMMARY

Course Title: Understanding Medicaid Planning Certification for Lawyers

This 1-hour class will discuss Medicaid Planning certification, what it is, how to obtain it, and how it can help your Medicaid Planning practice. This an introductory course and is not a test preparation course for the Certified Medicaid Planner™ examination.

Learning Objectives:

Through this course you will learn:

- What is the Certified Medicaid Planner™ (CMP™) designation.
- The role and function of the Certified Medicaid Planner™ Governing Board.
- The four E's of certification: Education, Experience, Examination, and Ethics.
- The four education and experience pathways to achieve certification.
- The CMP™ examination and content areas.
- How to apply to for CMP™ certification.
- The CMP™ public grievance system.
- CMP™ continuing education requirements.
